Bible Study put together by Sharon Doran, covering Ezekiel, Hebrews and the Book of Revelation, on Tuesdays at 1:30 p.m. and 7 p.m. at St. Patrick's Hall.

When We Suffer, sometimes we bring suffering upon ourselves by the way we live and the choices we make. Then there are times when life is turned upside down and inside out through no misdeed of our own; we are left wondering "Why?" We are not always going to understand the events in our lives. It is more important that we do not allow those events and the questions they conjure up to block us in our journey towards holiness and ultimately Heaven. The key to entering the Kingdom of God is in the way we respond to life, the invitations by God to come closer to Him, even when we see him inviting us to a cross in life.

Truly, Mary our Blessed Mother did not allow events in her life, even the most painful moment of seeing her Son die on the cross, to stop her on her journey. What Mary did not understand, she pondered and with God's grace, every event in Mary's earthly life served a purpose – to draw her closer to God's loving embrace. That embrace –that unity with the Holy Trinity – gave Mary the strength to overcome her own pain and to share God's love in this world, especially with those in great need.

Utica Food Pantry: Utica Lions and Thrivent are teaming up to collect non-perishable items for the Utica Food Pantry. If 500 or more items can be collected before November 30, Thrivent will donate \$500 to our local food pantry. Could you please help by bringing a donation to church. Thank you.
