**September's Devotion** is to Our Lady of Sorrows. The prophesy of Simeon that a sword would pierce our Blessed Mother's heart was fulfilled in these events. For this reason, Mary is sometimes depicted with her heart exposed and with seven swords piercing it. More importantly, each new suffering was received with the courage, love, and trust that echoed her fiat, let it be done unto me according to Thy word, first uttered at the annunciation.

**Pope's Address:** After the Pope began his address, he went on to consider what happens when we choose to gossip about a member of the community, rather than follow the path of fraternal correction. Gossip closes a person's heart to the community and hurts the Church's unity, since the devil is the great gossiper who seeks to sow discord. The Pope added, "Chatter is a plague more awful than Covid!" In conclusion, Pope Francis prayed that the Blessed Virgin Mary might help us make fraternal correction "a healthy practice so that in our communities ever new fraternal relationships, founded on mutual forgiveness and above all on the invincible power of God's mercy, may be instilled.
